

Dear Parents/Guardians,

Welcome to the final stretch of the first semester for the Class of 2020! There are only 18 days left in the semester which concludes on **Thursday, December 22nd**. Please encourage your student to check grades/progress on Schoology regularly and work closely with teachers to ensure a strong finish to their first semester of high school. I would highly encourage you to review grades with your student so that you are also aware of progress. The grades earned at the end of the semester will be the official grades listed on your student's high school transcript. Should you have specific questions about your student's progress in a course, please contact the teacher directly. Teachers are very willing to provide additional support before/after school and we also have tutoring available in the College & Career Center Tuesday thru Thursday from 2:40-3:30pm.

Rocklin High School will be hosting our annual **THUNDER GALLERIA** on **Monday, December 12th**. The Rocklin High School cafeteria is turned into the Thunder Galleria, a shopping mall for our local elementary students who may not otherwise be able to afford gifts for their family members. We are currently accepting donations to help make this event a success! Please see the attached flyer for specific information regarding donations. Thank you in advance for your support of this wonderful event!

I have been thrilled to be receiving community service hours for many students in the Class of 2020! Students are required to complete 25 hours of community service for graduation and students that complete 150 hours or more are recognized with our Distinguished Community Service Award as well as a pin they can wear on their graduation gown. Mrs. Tillery always keeps a current list of opportunities available on her website at <http://rhs.rocklinusd.org/subsites/Career-Center/Community-Service/index.html>. Students must complete a Community Service Contract with a supervisor signature when they complete hours. Contracts can be found on our school website under the Counseling or Career Center link or picked up in the Counseling Center.

It has been a pleasure to start to get to know the Class of 2020! We are already 1/8 of the way on our four year journey and I look forward to working with both you and your students.

Sincerely,

Lissa Morgan, M.S.  
Counselor Class of 2020
