

March 1, 2017

Dear Parents and Guardians:

Monday and Tuesday I handed out the parent letter listing courses your sophomore selected through the student portal for the 2017-18 school year. Please review this letter with your student. Your signature at the bottom of the letter is required in order for your student to meet with a counselor the week of March 6th to finalize their course selection process for junior year.

There is space on this letter to make any corrections or changes to your student's requests. If your student is requesting an Advanced/Honors/AP course (or second level and above of French/Spanish), you will also need the purple request form with parent signature and teacher recommendation. This is also true for students wishing to be a TA, Peer Teacher, PE leader or Student Director. Forms are still available in the Counseling Center.

We realize auditions and school elections will be taking place later in the school year which will affect some students' course selections. The counselors will be working with the teachers in charge of these activities to make necessary corrections to student selections after auditions and elections are completed.

Your student's Language Arts teacher will be allowing your student to come to the Counseling Center Monday through Friday next week to meet with a counselor. Please have your student keep the parent letter and any other necessary forms in their backpack because the LA class will be coming on a specific day.

Sincerely,

Ms. Helene Carr, M.S.  
Counselor Class of 2019
