### III. School Profile

#### School Profile

Rocklin Community --The city of Rocklin lies 20 miles northeast of Sacramento. With a population of 58,295, Rocklin boasts the best of both a rural community and a thriving suburban city. Most of Rocklin is newly developed in the past sixteen years, yet it is rich in history and community purpose. While Rocklin is a rapidly growing city, it maintains the small town atmosphere of a closely-knit community dedicated to the best in education, recreation, and family life. Sierra Community College is located in Rocklin, which provides many opportunities for high school students to get a glimpse of college life and enrich their learning experiences while attending Rocklin High School.

Rocklin High School – A California Distinguished School, Rocklin High School is a four-year comprehensive public high school with an enrollment of 2,068. Rocklin High School was the first high school in the Rocklin Unified School District, opening its doors in 1993. Over a period of 23 years, Rocklin High School has established itself as an exceptional academic institution, ranking #1 in Placer County for 9 years in a row. The academic year is based on two semesters, each approximately 18 weeks in length. Rocklin High School is on an 8 period rotating-block schedule with class periods of 80 minutes and a 30 minute student support session (Plus Period).

School Staff -- Credentialed staff includes 78 full-time teachers, 10 part-time teachers, 4 administrators, 4 counselors, 1 activity director, 1 part-time athletic director and 1.7 psychologists. 45% of the professional staff has earned a master's degree or higher. Through ongoing staff development and curriculum leadership, we have continued to improve our programs, student relations, and parent communications.

Philosophy – Rocklin High School prides itself on staying up to date and on the cutting edge of education. The system of education at Rocklin High School is driven by performance-based standards as mandated by the California Department of Education and the RUSD Board of Trustees. The core of our educational philosophy rests on the belief that all students will master the learning associated with the common set of standards. The curriculum, instruction, assessment, and parental reporting system are designed accordingly. The community is proud that Rocklin High School is a school where all students learn and grow academically, socially, and emotionally within a positive, nurturing learning environment.

Curriculum --The Rocklin High School curriculum was developed by the original curriculum committee and adopted by the Board of Trustees in March 1993. This curriculum is based on a Mastery Learning system that incorporates information taken from the California State Frameworks, UC and CSU admission requirements, and California State Department of Education's document Second to None. As our school has evolved the curriculum has continued to develop meeting the challenges of No Child Left Behind. Using this system ESLR's were embedded throughout the school's curriculum in the form of Essential Skills Assignments. Students must master these standards. Curriculum is continually evaluated to ensure it is aligned with State Standards.

Graduation Requirements -- All students at Rocklin High School must complete 250 credits for graduation. These credit requirements include 40 credits in Language Arts, 30 in Science, 30 in Math (students must pass Algebra I and Geometry), 35 in Social Science, 5 in Health, 30 in Physical Education, 10 in Foreign Language, 10 in Technology, 10 in Visual and Performing Arts, and 50 in Elective.

- Rocklin High School students must also demonstrate competency in all Expected School Wide Learning Results (ESLR's).
- Rocklin High School requires students to perform a minimum of 25 hours of documented community service as a graduation requirement. 31% of the students from the Class of 2015 completed 150+ hours for a total of 46,000+ hours and were recognized for their distinguished community service.

Academic Honors Courses – Advanced and Honors courses are offered at all grade levels in Language Arts, Math, Foreign Language, Science, and Digital Art.

AP Courses – Rocklin High School currently offers 23 AP courses on campus. These courses include: Studio Art Drawing, Studio Art 2 D Design, Studio Art 3 D Design, Calculus AB, Calculus BC, Statistics, English Literature, Biology, Chemistry, Environmental Science, Physics I, Physics II, Physics CM, Physics CE-M, Music Theory, Psychology, World History, US History, Microeconomics, Government, Computer Science Principles and Computer Science A. In 2015/16 out of the 1289 AP exams administered, 72% earned a passing score of 3 or better. The breakdown of the passing scores was as follows:

28% scored a 3  
scored a 5

26% scored a 4

18%

Grading System -- Rocklin High School uses both weighted (5.0) and un-weighted (4.0) grade point averages. Our grade range is: A = distinguished; B = commendable; C = mastery; and NC = the student has not met the minimum standard for the course. W = Withdrawal from the course.

Rocklin High School earned a 6 from our Western Association of Schools and Colleges accreditation in spring of 2012.

Academic Achievement -- 90% of the Rocklin High School Class of 2016 entered college the year following graduation. Approximately 50% entered a four-year college or university. The average weighted academic GPA of the valedictorians from the class of 2016 was 4.57.

#### IV. Planned Improvements in Student Performance

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet academic performance index and adequate yearly progress growth targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

<b>DISTRICT GOAL</b> <b>(Goals should be prioritized, measurable, and focused on identified student learning needs)</b> To align our Single plan for Student Achievement to the LCAP Priorities, including the following District Strategic Priority Objective and Strategies; <ul style="list-style-type: none"> <li>• Engage in authentic learning experiences</li> <li>• Demonstrate continuous progress toward increasingly challenging academic goals</li> <li>• Find his or her passion as a learner</li> <li>• Acquire skills to conquer challenges and build healthy relationships</li> <li>• Learn the value of contributing to community through active participation</li> </ul> <p>We will create student academic growth through dynamic, relevant and increasingly challenging learning experiences.          We will provide a variety of opportunities for all students to become healthy, self-aware, resilient and high-functioning adults</p> <p>Each school site will focus on their LCAP subgroups based on current CAASPP data: Low-Income, Foster Youths, and English Learners.</p>

#### IV. Planned Improvements in Student Performance (continued)

**DISTRICT GOAL**  
**(Goals should be prioritized, measurable, and focused on identified student learning needs)**  
 To align our Single plan for Student Achievement to the LCAP Priorities, including the following District Strategic Priority Objective and Strategies;

- Engage in authentic learning experiences
- Demonstrate continuous progress toward increasingly challenging academic goals
- Find his or her passion as a learner
- Acquire skills to conquer challenges and build healthy relationships
- Learn the value of contributing to community through active participation

We will create student academic growth through dynamic, relevant and increasingly challenging learning experiences.  
 We will provide a variety of opportunities for all students to become healthy, self-aware, resilient and high-functioning adults

Each school site will focus on their LCAP subgroups based on current CAASPP data: Low-Income, Foster Youths, and English Learners.

## Part VI. Centralized Services Goals

### Centralized Support for Planned Improvements in Student Performance for LCAP Subgroup

The school site council has analyzed the planned program improvements and has adopted the following program support goals, related actions, and expenditures to raise the academic performance of student groups not meeting state standards:

<p><b>Program Support Goal #1</b>  <b>(Goals should be prioritized, measurable, and focused on identified student learning needs)</b>          Ensure all students of need, including English Learners, Foster Youth and students of poverty have access to meaningful core academics and achieve California Common Core State Standards (CCSS) to close the achievement gap as rapidly as possible.</p>	
<p><b>Groups participating in this goal (e.g., students, parents, teachers, administrators):</b>          English Learners          Students of Poverty (Free and Reduced Lunch)          Foster Youth</p>	<p><b>Anticipated annual growth for each group:</b>          Grade level benchmarks</p>
<p><b>Means of evaluating progress toward this goal:</b>          Annual review of district benchmark data          Annual review of CAASPP assessments          Progress monitoring measures          Eadms/MAP/Ren Place progress reports</p>	<p><b>Group data to be collected to measure gains:</b>          MAP Assessments or STAR Reading and Math, SBAC Interim Assessments, or SBAC Summative Assessments</p>

## Appendix B - Analysis of Current Instructional Program

This section lists statements about the instructional program adapted from NCLB, Title I, Part A and the related California Essential Program Components (EPC). To analyze these statements, the school site council will need information from a variety of sources (e.g., Survey Results, Library Plan, Master Plan, SARC).

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration was given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

### Standards, Assessment, and Accountability

1. Use of state and local assessments to modify instruction and improve student achievement (ESSA)

Review: CST, CMA, CAPA, CELDT, to drive instructional practices.

2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Review: CST, CMA, CAPA, CELDT, to drive instructional practices.

### Staffing and Professional Development

3. Status of meeting requirements for highly qualified staff (ESSA)

2015/16 100% HQT - Our district requires all teachers (100%) to meet the highly qualified status set forth in ESEA. Each teacher is a California credentialed teacher who is highly qualified to teach within their curriculum area.

4. Principals' Assembly Bill (AB) 75 training on State Board of Education (SBE) adopted instructional materials (EPC)

NA

5. Sufficiency of credentialed teachers and teacher professional development (e.g., access to AB 466 training on SBE-adopted instructional materials) (EPC)

NA

6. Alignment of staff development to content standards, assessed student performance, and professional needs (ESSA)

District staff development is currently focused on Common Core Standards for all teachers district-wide

7. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Additional site staff development provided by the district as needed

8. Teacher collaboration by grade level (EPC)

Professional Learning Communities in place at all grade levels.

### Teaching and Learning

9. Alignment of curriculum, instruction, and materials to content and performance standards (ESSA)

Use of State Adopted Curriculum.

10. Adherence to recommended instructional minutes for reading/language arts and mathematics (EPC)

Use of State Adopted Curriculum.

11. Lesson pacing schedule (EPC)

Use of State Adopted Curriculum.

12. Availability of standards-based instructional materials appropriate to all student groups (ESSA)

Use of State Adopted Curriculum.

13. Use of SBE-adopted and standards-aligned instructional materials, including intervention materials (EPC)

Use of State Adopted Curriculum.

Opportunity and Equal Educational Access

14. Services provided by the regular program that enable underperforming students to meet standards (ESSA)

- Access to technology
- Target services and programs to the lowest performing student groups in the regular program
- Target categorical services and programs to the lowest performing student groups
- Daily schedule and master schedule flexibility for a sufficient number of intervention courses known as "Intervention within the school day"

## Appendix F - Recommendations and Assurances (Rocklin High School)

The school site council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan **(Check those that apply)**:

## Appendix H - School Site Council Membership: Rocklin High School

Education Code Section 64001 requires that the SPSA be reviewed and updated at least annually, including proposed expenditures of funds allocated to the through the Consolidated Application, by the school site council. The current make-up of the council is as follows:

Name of Members	Principal	Classroom Teacher	Other School Staff	Parent or Community Member	Secondary Students
Davis Stewart	X				
Louise Cranston		X			
Jeremy Jeffreys		X			
Ryan Spears		X			
Vacant		X

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

## Appendix I - WASC High School Accreditation Crosswalk: Schools Conducting a Full Self-Study

For high schools, the SPSA should integrate major growth areas resulting from the WASC/CDE self-study and the visiting committee's identified critical areas for follow-up. The SPSA process can be done in tandem with the WASC/CDE Focus on Learning (FOL) Process Guide. The table below describes the alignment of the FOL Process with the expectations of the SPSA.

Section	SPSA Guide	Coordinating timelines	Focus on Learning Process Guide (References from WASC/CDE Focus on Learning 2016, Fall Update Edition)
<b>Introduction</b>	School plans must contain all federal and state planning requirements for programs offered at the site. In California, use of the SPSA fulfills these requirements.		<p>For California public schools that are WASC accredited, the expectation of the Accrediting Commission for Schools, WASC, is that the findings from the self-study will result in refinement of the SPSA.</p> <p><b>Overview:</b> Schools are required to annually review progress. The SPSA shall address how funds provided to the school through the ConApp will be used to improve the academic performance of all pupils to the level of the performance goals, as established by the Academic Performance Index. The SPSA required by this section shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the ConApp, by the SCC. The SPSA shall be reviewed and approved by the governing board of the local education agency at a regularly scheduled meeting whenever there are material changes that affect the academic programs for students. The SPSA shall also identify the schools' means of evaluating progress toward accomplishing those goals and how state and federal law governing these programs will be implemented.</p> <p><a href="#">WASC/CDE Focus on Learning, 2016 Edition, pages 3–4</a></p>
<b>Step One</b>	Analyze Student Achievement Data:	<p>FOL: 18 months prior to the site visit—data to be based on three consecutive years of data.</p> <p>SPSA: based upon release of STAR data from the previous year's assessment</p>	<p><b>Task 1:</b> Based on the findings of the SPSA data analysis, refine student/community profile; identify two to three critical academic needs.</p> <p><a href="#">WASC/CDE Focus on Learning, 2016 Edition, pages 37–43</a></p>
<b>Step Two</b>	<p>Measure Effectiveness of Current Improvement Strategies Using State Tools to Help Determine Critical Causes of Student Underachievement:</p> <p>The SSC conducts an academic needs assessment (may use state tools such as the APS of the instructional program and identifies, by analyzing achievement data and survey data, academic challenges and student subgroups failing to achieve standards.</p>	<p>FOL, Task 3: February of the year prior to the site visit.</p> <p>SPSA: Upon release of September data, or upon identification of Program Improvement status, conduct a needs assessment using tools such as the APS to identify critical causes of student underachievement in ELA and mathematics.</p>	<p><b>Task 1 (Cont.):</b> Use findings from the updated student/community profile including the two to three identified critical academic needs, as appropriate.</p> <p><b>Task 2:</b> Summarize the progress made on achieving the goals of the previous SPSA, including critical areas of follow-up from the last full self-study.</p> <p><a href="#">WASC/CDE Focus on Learning, 2016 Edition, page 45</a></p> <p><b>Task 3:</b> Analyze the quality of the school program in relation to the WASC/CDE criteria with emphasis on the identified critical academic needs; synthesize the information... (WASC/CDE Self-Study Product: Chapter IV: Self-Study Findings)</p> <p><a href="#">WASC/CDE Focus on Learning, 2016 Edition, pages 47–49</a></p>
<b>Step Three</b>	Identify Achievement Goals, Key Program/Improvement Strategies to Achieve Those Goals:	FOL/SPSA: Suggest that timelines for FOL Task 3 in ELA and	<p><b>Task 3 (Cont.)</b> ...determine strengths (of the academic program) and growth needs and identify potential action steps. (WASC/CDE Self-Study</p>

Section	SPSA Guide	Coordinating timelines	Focus on Learning Process Guide (References from WASC/CDE Focus on Learning 2016, Fall Update Edition)
	Identify three to five achievement goals and select appropriate strategies to achieve those goals.	mathematics and SPSA identification of achievement goals and plan writing be conducted in tandem during the full self-study.	Product: Chapter IV: Self-Study Findings) <a href="#">WASC/CDE Focus on Learning, 2016 Edition, pages 47–49</a>
<b>Step Four</b>	Define Timelines, Benchmarks, Personnel and Proposed Expenditures and Funding Sources to Implement the Plan:  In order to implement the SPSA, the SSC must identify target completion dates, persons who will be responsible to ensure timely completion, and estimated costs with funding sources for each step in the plan.		<b>Task 4:</b> Revise the SPSA. (WASC/CDE Self-Study Product: Chapter V: Schoolwide Action Plan, A & B) <a href="#">WASC/CDE Focus on Learning, 2016 Edition, pages 51–54</a> <b>Follow-up after Visit:</b> refine SPSA to integrate critical academic area recommendations identified by the Visiting Committee. <a href="#">WASC/CDE, 2016 Edition, page 161–163</a>
<b>Step Five</b>	Recommend the SPSA to the Local Governing Board		<b>Follow-up after Visit (Cont.):</b> Revised SPS A sent to WASC. <a href="#">WASC/CDE, 2016 Edition, page 161</a>
<b>Step Six</b>	Implement the SPSA:	Implementation and monitoring of the SPSA is determined by the benchmarks in the plan.	<b>Task 4:</b> Monitor implementation of schoolwide action plan. (WASC/CDE Self-Study Product: Chapter V: Schoolwide Action Plan, C) <a href="#">WASC/CDE Focus on Learning, 2016 Edition, pages 51–54</a>  <b>Ongoing Improvement:</b> <a href="#">WASC/CDE Focus on Learning, 2016 Edition, page 163</a>
<b>Step Seven</b>	Monitor Implementation for progress to achieve benchmarks: <b>Monitoring will be made easier if the plan specifies actions, dates, and estimated costs and measurable anticipated student academic outcomes, as well as personnel involved and responsible....</b> 2009 Single Plan for Student Achievement, p.13. California Department of Education, Sacramento, CA.  Continue the Cycle:  Periodically review progress on the implementation of the plan, determine whether the actions are having the desired effects, and make revisions as needed.	<b>At least</b> once per year.	<b>Task 4:</b> Monitor implementation and accomplishment of the schoolwide action plan. (WASC/CDE Self-Study Product: Chapter V: Schoolwide Action Plan, C) <a href="#">WASC/CDE Focus on Learning, 2016 Edition, pages 51–54</a>  <b>Ongoing Improvement:</b> <a href="#">WASC/CDE Focus on Learning, 2016 Edition, page 163</a>  <b>Ongoing Improvement:</b> Annually prepare a progress report based on implementation of the plan and impact on student achievement. Revise plan as needed. <a href="#">WASC/CDE Focus on Learning, 2016 Edition, page 163</a>

<b>School Goal #1:</b> A schoolwide focus to improve the overall academic success rate of all students.					
<b>Rationale:</b> The numbers of students receiving one or more NC grades, the number of students meeting the UC/CSU “a-g” requirements, EL student progress, AP pass rates, and enrichment strategies will be reviewed annually to measure school and instructional effectiveness.
