Rocklin Community – The suburban city of Rocklin lies twenty miles northeast of Sacramento. It has a population of 63,000. Rocklin has an estimated civilian work force of 30,100 with an unemployment rate of 4.4%, and a median household income of \$82,805. Approximately 40% of Rocklin citizens over age 25 hold a bachelor’s degree or higher.

Rocklin High School – Rocklin High School is one of two four-year comprehensive high schools within the Rocklin Unified School District. The current enrollment is 2,220 students. The academic year is based on two semesters, each approximately 18 weeks in length. Rocklin High School is on an eight period rotating block schedule with a 30-minute student support period.

Grading and Graduation Requirements – Rocklin High School uses both a weighted (5.0) and unweighted (4.0) grading scale. Our educational philosophy rests on the belief that all students will master the learning associated with the common set of standards in each course. Because of this, we do not issue letter grades of “D” or “F.” Any student earning below a 70% in a course or who has not demonstrated mastery will receive a no credit “NC” and will need to retake the course if it is required for graduation. Our course requirements for graduation are as follows:

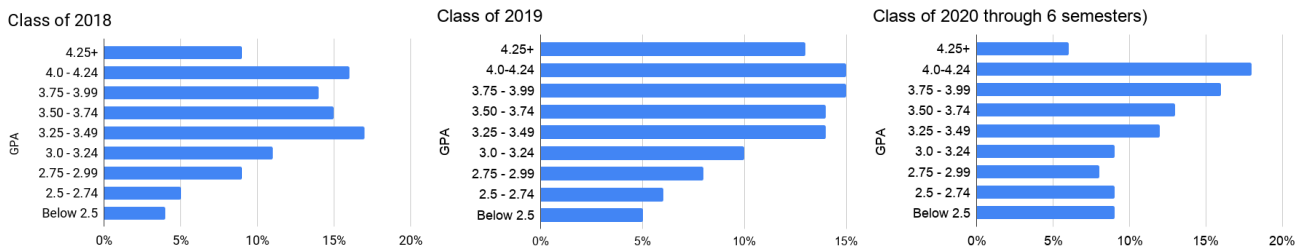

Language Arts	4 years
Science	3 years
Social Science	3.5 years
Math	3 years
Physical Education	3 years

Foreign Language	1 year
Technology	1 year
Visual/Perf. Arts	1 year
Health	.5 year
Elective	5 years

In addition to these course requirements, students must complete a minimum of 25 hours of documented community service. The average student completed 80 hours and 20% of the students in the class of 2019 completed 150+ hours and were recognized for their distinguished service. Together, the class of 2019 performed 36,410 hours of community service work.

Matriculation – From our class of 2019, 92% of our graduates sought post-secondary education immediately after graduation. 51% matriculated to 4-year, degree-granting institutions, 40% to community college, and 1% attend tech or trade schools.

Advanced Coursework -

Rocklin High School offers advanced, honors, Advanced Placement (AP), and dual enrollment level courses. AP and dual enrollment courses are not offered to freshmen and only a few are available to sophomores. Our transcript reflects a weighted grade for honors and AP courses, but not for advanced or dual enrollment courses even though they are considerably more rigorous than the standard version of the same course. Dual enrollment students receive high school credit on the RHS transcript as well as college credit on a separate transcript from Sierra College. Approximately 70% of students take AP classes while at Rocklin High School and those who do average 5 AP classes. Our counseling department recommends that students take no more than 3 advanced, honors or AP courses in a given school year.
