ATTENDANCE
(24-Hour Absence Reporting) 916-632-1600 #6103
(School Attendance Office) 916-632-1600 #6105

EXPECTATIONS
Attendance at school is compulsory until the 18th birthday or graduation from high school. Students are expected to be in class on time daily in order to receive maximum benefits from the instructional program.

- A student is considered absent from class if they miss 30+ minutes of a class period.
- A student must be in attendance the full regular school day of a scheduled practice, contest, or extracurricular activity to be eligible to participate. There are possible exceptions which are subject to interpretations by the Principal or his Designee.
- Students absent from school for any length of time (one period, one day, or multiple days) must verify the absence by a phone call, a note or email from a parent/guardian within three (3) days.
- Attendance procedures must be followed even after the student’s 18th birthday.

SENIOR ATTENDANCE POLICY
Students must maintain a minimum 90% attendance during each semester of their senior year in order to participate in Senior Activities. This includes all absences, excused or unexcused, and off/on campus suspensions. Field trips, school activities, and any tardy will not affect this record. The Senior Class Administrator discusses the Senior Attendance Policy during the Discipline Talks within the first two weeks of school.

CLEARING ABSENCES
1. Verification of absences is to be made by a phone call, a note or email from a parent/guardian indicating the date and reason for the absence. Telephone calls should be made the same day as the absence to 916-632-1600 #6103.
2. Failure to clear an absence by a telephone call, note or email within three (3) days will be marked as truant and result in disciplinary action.
3. Rocklin Unified School District authorizes certain absences to be classified as "excused" if they are for the following reasons:
   - Illness or injury
   - Having medical or dental services rendered
   - Quarantine under the direction of a County or City Health Officer
   - Funeral/memorial service and/or bereavement
   - Court Appearance
   - Religious holidays

DIALER/VOICE MAIL
1. Nightly, the automated dialer will call the home phone number of all students who have been reported absent from one or more class periods.
2. The school provides a 24-hour voicemail, 916-632-1600 #6103, for reporting all day absences. Communication between home and school is a major factor in correcting poor attendance and calls to the school Attendance Office at #6105 are welcomed.

TARDY POLICY
1. Tardiness is unacceptable and is cleared only with a note or call from a parent/guardian within three (3) school days. Parents cannot excuse more than five (5) tardies per semester.
2. An unexcused tardy, at any time during the school day, will result in disciplinary action. A student’s tardy
will not be excused due to traffic or lack of parking in the Student Parking Lot or surrounding streets.
3. Students identified with habitual tardiness may be placed on Attendance Contracts which include
additional consequences and/or referred to the School Attendance Mediation Board.

CLOSED CAMPUS
1. Rocklin High School is a closed campus. Students are not allowed to bring guests to school.
2. Parents, pre-scheduled guest speakers, or military guests need to sign in at the Rocklin High School
reception desk upon arrival to receive a Visitor’s Pass.
3. ALL DELIVERIES FOR STUDENTS MUST BE DROPPED OFF IN THE FRONT OFFICE. ONLY
PARENTS ARE ALLOWED TO DELIVER FOOD ITEMS AND ONLY FOR THEIR OWN STUDENT(S).
4. WE DO NOT ALLOW OUTSIDE SERVICES TO DELIVER FOOD TO STUDENTS (i.e. DoorDash, Food
Jets, and Grubhub). All items delivered by this method will be confiscated even if the student has prepaid
for the delivery of items.

CHECKING STUDENT OUT
1. Students MUST check in at the Attendance window upon arrival anytime after 7:45 am or return to
campus before 2:40 pm. Students must present student I.D. card.
2. Permission for a student to leave campus must be communicated by written note, phone call, or a
personal appearance by the parent/guardian prior to the school’s Attendance Office Clerk authorizing
the student to leave campus.
   ■ Parent’s Responsibility - A written note containing: student’s first and last name; date, time and
reason student is leaving; parent signature and daytime phone number.
   ■ Student’s Responsibility - Students must present student I.D. card and bring note to the
Attendance Office window before school, at break, or at lunch to receive a yellow check-out
slip. Students need to show the yellow check-out slip to the teacher at the beginning of class
and watch the clock to leave on time.
3. Students wishing to leave campus for lunch must be checked out in-person by a parent/guardian.
4. Failure to comply with the above policy will result in disciplinary action.
5. A student who attempts to clear an absence either through a forged note or an impersonated phone call
will have the absence declared a truancy and will receive disciplinary action.

TRUANCY
A student, who is absent without a valid excuse, will be subject to disciplinary action (Saturday School and/or
School Attendance Mediation Board referral).

PREARRANGED ABSENCES/INDEPENDENT STUDY
Students who foresee being absent for five (5) or more consecutive days may request an Independent Study
Program to prevent loss of learning time. The request for Independent Study must be made at least two weeks
prior to a student’s leave date and in writing. Requests should include the student’s name, dates of absences,
and reason. Independent Study will be issued pending review.

EMERGENCY SITUATIONS
Rocklin High School has plans and preparations for major emergency situations. The staff has been trained and
drills are held regularly so the students understand the emergency procedures.
1. Our primary concern in the event of an emergency is the safety and welfare of the students. Please
inform your student they are as safe at school as they are at home in a serious emergency. School
buildings have been designed with safety in mind, inspections are made regularly to remove possible
hazards, and staff members have been trained in first aid.
2. Your student(s) should be instructed to obey the directions of their teachers and staff members in any
3. If there is an emergency situation on campus, please avoid calling the school. Information will be sent out via School Messenger as it becomes available.

4. If there is an emergency situation on campus, please avoid driving to school. Streets should be as open as possible for emergency vehicles. Instructions will be sent out via School Messenger in order to reunite parents with students.
At Rocklin High School, we believe it is the basic right of each student to receive a quality education. School and classroom rules, which students are expected to learn and obey, are designed to enhance quality education, prevent disruption, and protect students.

Assistant Principals will visit students in their classes in the opening weeks of school to discuss district and school policies. Students are responsible for their behavior and the consequences of good or poor judgment. All of the rules and policies in this handbook apply to students on the way to and from school and school events, on school premises, and at all school sponsored functions.

**DRESS CODE**

**(Board Policy 5132):** The Board of Trustees believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. **A student’s clothing must not present a health or safety hazard or a distraction which would interfere with the education process. The major responsibility for dress and grooming is placed upon the student and the student’s parents.** The Administration reserves the right to decide the appropriateness of the student’s attire. Inappropriately dressed students will be expected to change clothing. The following guidelines are intended to define appropriate student attire and personal grooming and shall apply to all regular school activities:

1. All garments must fit and be worn in the manner in which they are designed. Pants must be worn at or above the hip point and be able to stay up without a belt (no sagging). Shorts and/or pants with rips or tears above the bottom of the pocket line are required to have material in place behind the rips/tears.
2. Footwear must be worn at all times.
3. Clothes shall be sufficient to conceal undergarments at all times. See-through, fishnet fabrics, off-the-shoulder, low-cut tank tops, spaghetti straps, and bare midriffs are prohibited.
4. Inappropriate lettering, pictures, printing, message patches or messages on clothing, hats, backpacks, binders, or other personal items are prohibited. Clothing and jewelry shall be free of writing, pictures, or any other insignia which are crude, vulgar, profane, sexually suggestive, advocate racial, ethnic or religious prejudice, violence, weapons, or the use of drugs or alcohol. Accessories with spikes may not be worn.
5. Hair shall be clean and may not be sprayed by any coloring that would drip when wet.
6. Apparel, accessories, school materials, or manner of grooming which by virtue of its color, arrangement or any other attribute denoting membership in a gang is prohibited.
7. No hats are allowed to be worn with the exception of classroom curriculum activities.

**CELL PHONES/ELECTRONIC DEVICES**

**(Board Policy 5131):** Cell phones/electronic devices may only be used before school, during break and lunch and after school.

- Use of any style of ear buds (either wired or Bluetooth) is prohibited while on campus and out of the classroom. This decision is due to safety concerns (in the event of an emergency, ability to hear any spoken safety instructions/communication or a student’s delay in senses).
- Cell phones/electronic devices must be put away and turned off during instructional time unless otherwise directed by a supervising staff member.
- Students who inappropriately use their cell phone/electronic device will have his/her device confiscated by school personnel and will be assigned discipline. The cell phone/electronic device will be held in the Assistant Principal’s office and available for student pickup at the end of the day.

5. All outstanding fees cleared
6. Residential eligibility
7. Voluntary Athletic Contribution Form
8. Social Media Contract

ACADEMIC ELIGIBILITY

All athletes must have a 2.0 GPA with no more than one No Mark (NM) or No Credit (NC) to be eligible to participate in interscholastic contests. Students with eight (8) classes need 16 grade points; seven (7) classes need 14 grade points; six (6) classes need 12 grade points. Any athlete who falls below a 2.0 GPA at any grade reporting period (a grade reporting period is considered a quarter or semester), will become ineligible to participate in any interscholastic contest, but will still be allowed to practice. Once the athlete has met the minimum grade standard, full participation will be granted.

ATTENDANCE

1. An athlete must attend school for the full regular school day to be eligible to practice, participate in a contest, and all extracurricular participation contests/performances.
2. An athlete must be in attendance the entire last regular school day prior to a contest scheduled on a weekend or holiday to be eligible to participate.
3. Absence due to funerals, medical appointments, religious activities, or serious family obligations must be approved/cleared in advance by the Athletic Director or an Administrator prior to practice or participation.

FIELD SPORTSMANSHIP—REQUIREMENTS FOR ALL SPORTS

The Sierra Foothill League (SFL) believes that the primary purpose for athletics is to promote good sportsmanship and declares its intent to do all within its power to guarantee that athletic contests are held in a sportsmanlike environment. Member schools are committed to enforcing a code of behavior that encourages good sportsmanship and provides consequences for poor sportsmanship conduct. Member schools agree to enforce the following:

- Any student fan who steps onto the court/playing field to start or join in a fight is to be automatically ejected from the gym/playing field. The member Sierra Foothill League School is expected to take disciplinary action on the next regular school day.
- Any player ejected from an athletic contest for participating in a fight will be subject to disciplinary action imposed by the member school. The consequence may include:
  1. Immediate removal from the contest (ejected)
  2. Removal from the next regularly scheduled contest
  3. Removal from the team
  4. Removal from all athletic programs for a period of time
  5. Other appropriate disciplinary action
- Players that leave the bench while a fight is in progress may cause the game to be forfeited. If players from both teams leave the bench while a fight is in progress, a double forfeit may be imposed.
POLICIES FOR ATHLETIC PARTICIPATION
For details, please see the Athletic Code of Conduct found online at:
https://sites.google.com/a/rocklin.k12.ca.us/rhs-sports-main/rhs-athletic-participation-packet

QUITTING A SPORT
If a student athlete fails to participate without justifiable cause or drops out of a sport after the team's first league contest, the athlete will not be allowed to participate in any other sport until the season of the dropped sport is completed.

SOCIAL MEDIA POLICY
“Social media” refers to internet-based applications designed to create and share user generated content. Any form of digital magazines, internet forums, web blogs, podcasts, photographs, video, rating, and social bookmarking found on websites or applications such as Twitter, Facebook, Instagram, or Tumblr that is open to public viewing is considered to be “social media”. This is a rapidly changing network as we move into the twenty-first century. Many more networks not mentioned will arise which are also included in this policy. Violations of this policy are subject to investigation and sanctions outlined in the Rocklin High School Code of Conduct are also subject to review by state and federal law enforcement. These fall under Class II Infractions. Any and all disciplinary measures may apply depending on the severity of the infraction.
Rocklin High School student athletes are expected to conduct themselves in a respectable manner as a member of their team and our Athletic Program. As a student athlete, you are responsible for your social media use. Any malicious use of social media platforms shall not be tolerated. Malicious use may include, but not be limited to:
1. Derogatory language or remarks regarding fellow athletes, students, coaches, administrators, faculty, and staff of Rocklin High School or other high schools.
2. Demeaning statements or threats that endanger the safety of another person.
3. Incriminating photos or statements regarding illegal criminal behavior, underage drinking, and use of illegal drugs, sexual harassment or violence.

ATHLETIC CODE OF CONDUCT
Athletes determined to be in violation of Education Code Section 48900 or any other policies set forth by the Rocklin High School Athletic Code of Conduct, may face disciplinary action. Please refer to the Rocklin High School Athletic Code of Conduct located in the Rocklin High School Athletic Handbook for specific details:
http://rhs.rocklinusd.org/Athletics/Inside-Athletics/index.html

USING DRUGS, ALCOHOL OR TOBACCO
Athletes determined to be in violation of Education Code Section 48900 (i.e. possession or use of alcohol, controlled substances including steroids, or tobacco products) shall be disciplined.
1. First Offense: The student-athlete may be suspended from 1 to 30 days from athletic competition or possible removal from the team. They may also be subject to a disciplinary review by an Athletic Disciplinary Panel.
2. Second Offense: The student-athlete may be suspended from 30 to 60 days from athletic competition or possible removal from the team. They may also be subject to a disciplinary review by an Athletic Disciplinary Panel.
Self-disclosure: Students who voluntarily disclose substance abuse and/or dependency to school personnel/parents, who involve themselves in an assessment and treatment program, will not be penalized under this policy. At any time, coaches reserve the right to cut student athletes from their programs for violations of team or school policies.

When the Rocklin High School Administration determines that an athlete’s conduct (either in or outside of school) is a detriment to the school, poses a danger to students, or is a threat to disrupting the educational process, they may suspend or remove the student from participation in any athletic program.
ACADEMIC GUIDELINES

MASTERY LEARNING AND GRADUATION OVERVIEW
The system of education at RHS is driven by performance–based standards as mandated by the State of California and the Rocklin Unified School District. Standards are not new to education; educators have always set goals and expected levels of achievement for students. At Rocklin High School, we go beyond expectations by requiring all students to master the learning associated with the common set of standards. In support of this philosophy, the curriculum, instruction, assessment, and reporting to parents is designed accordingly.

- Students will demonstrate mastery of the content standards through coursework and assessments aligned with National, California and district standards. The grade reporting system is used to communicate a student’s progress toward mastery. By requiring students to master academic standards, a graduate will have the skills and knowledge needed for success in whatever post-high school avenues are chosen.
- In addition to course requirements, RHS graduates are required to possess and demonstrate mastery of our Departmental Objectives, Essential Skills and Concepts. Graduation will be based upon demonstrations of what students actually know. At RHS, only after a student has demonstrated that learning has occurred will RHS confirm that education has happened. A minimum of 250 credits, including the required subjects below, must be earned in grades 9–12 in order to meet graduation requirements.

GRADING POLICY AND SYSTEM
Grades are maintained and readily available online at [http://rhs.rocklinusd.org/](http://rhs.rocklinusd.org/) for students, parents, and teachers to monitor and discuss student achievement. Three options are available:

1. Students and parents can view grades through Schoology. If your family does not already have an existing account, please email the Front Office Receptionist Lori Stromar @ lstromar@rocklinusd.org. On the homepage of the school’s website, select the “Schoology” tab and follow the instructions. New Schoology accounts must be activated via our school’s website.

2. Weekly Grade Check Forms for students to take to their teachers can be printed from the school’s website by selecting the ‘Info’ tab, ‘Counseling’ and ‘Weekly Grade Check Form’.

3. Parents are welcome to email or phone teachers to request grade-related information.

Semester grades carry final credit, are considered permanent grades, and become part of the official school record (transcript) for each student.

**ACADEMIC INTEGRITY POLICY**

The primary goal of any educational institution should be to enhance the learning environment and to promote the pursuit of intellectual excellence. The Rocklin Unified School Board of Education believes that the public school should reinforce the values of our democratic society, teach citizenship, and provide an environment conducive to ethical behavior. The Rocklin High School community believes that the school should maintain a climate in which honesty, courtesy, consideration, integrity, and a concern for others are highly valued. Cheating is an obstacle to achieving these goals. The Academic Integrity Policy will be enforced throughout a student’s high school career. Violation of Rocklin High School’s Academic Integrity Policy may result in disciplinary action, academic, extra- and/or co-curricular consequences.

**DEFINITION**

Cheating is taking (or lending) at inappropriate times a person’s work, information, ideas, research and/or documentation without properly identifying the originator. The teacher’s professional judgment will determine whether cheating has occurred. Students are reminded not to give the teacher cause to consider their actions a violation. To avoid inadvertent dishonesty, the following list, which is not intended to be all-inclusive, delineates a variety of methods of cheating:

1. Looking at someone else’s paper or using any type of “cheat notes” during an examination, test or quiz.
2. Talking with another student during an examination, test or quiz.
3. Using an electronic device during an examination, test or quiz.
4. Letting someone else see one’s own or another’s paper during an examination, test, quiz or assignment.
5. Copying work assigned to be done independently or allowing someone else to copy one’s own or another’s work, including computer generated information and programs.
6. Copying or closely paraphrasing sentences, phrases, or passages without properly citing sources while writing a paper or doing research.
7. Giving test information to students in other periods of the same teacher/same course.
8. Submitting individual work/projects not wholly one’s work.
9. Fabricating or altering laboratory data.
CONSEQUENCES
This policy will be enforced throughout a student’s high school career. When a student has been found cheating, the consequences and procedures for each instance are as follows:

FIRST OFFENSE
- A referral will be submitted to the administration and evidence will be provided. The student(s) may be suspended from the teacher’s classroom for the next two class periods. (classroom teacher)
- The student(s) will be required to complete an alternative assignment demonstrating mastery of the Essential Concepts and Skills. A maximum of 70% of the total point value of the assignment will be granted. (classroom teacher)
- The teacher will notify the parents/guardians and inform them of the consequences prior to the classroom suspension. (classroom teacher)
- The administration will send home a letter documenting the incident and informing the student and parents of the consequences for the second offense. (Administration)

SECOND OFFENSE
- A referral will be submitted to the administration along with evidence that cheating has occurred. The student(s) may be suspended On-Campus for two days. (classroom teacher)
- The student(s) will be required to complete an alternative assignment demonstrating mastery of the Essential Concepts and Skills; however, “0” points will be granted towards their overall course grade. (classroom teacher)
- The administration will notify the parents and schedule a meeting to inform them of the severity of the incident and the consequences for a third incident. (Administration)
- The student(s) will be suspended from any extra-curricular activity as per Rocklin High School extra-curricular code of conduct. (5 to 30 days) (Administration)
- The student(s) will not be eligible for valedictorian status or “Top Student” honors in his or her senior year. (Administration)
- If a student violates the Academic Integrity policy in an Advanced Placement or Honors course and it is a second offense, he/she will be dropped from the course and be placed in a regular college prep class. (Administration)

THIRD OFFENSE
- A referral will be submitted to the administration along with evidence that cheating has occurred. The student(s) will be suspended Off-Campus for three days. (classroom teacher)
- The student(s) will receive a “NC” in the course. (classroom teacher)
- A parent conference will be required. (administration)
- The student(s) will be suspended from any extra-curricular activity as per Rocklin High School extra-curricular code of conduct. (15 to 30 days) (Administration)
- The student(s) will not be eligible for valedictorian status or “Top Student” honors in his or her senior year. (Administration)

RESEARCH PAPERS/AVOIDING PLAGIARISM
In writing a research paper, the student must document everything that was borrowed, not only from direct quotations and paraphrases, but also from information and ideas that did not originate with the student. Common sense, as well as ethics, should determine what the student documents. Common knowledge or familiar proverbs need not be cited, but the student must indicate the source of any material that readers might otherwise mistake for originating from the student. This process is taught within every academic department. If further clarification is required, the student should ask his/her instructors.
The Counseling Department recognizes the dignity and worth of each individual and respects the differences that exist. Students are welcomed in the Counseling Department and appointments are made on a first-come, first-served basis. Students are asked to make appointments before or after school, during break, lunch, or passing periods. Trained Peer Counselors are also available for appointments.

CLASS POLICIES
All courses at Rocklin High School are year-long courses and students must remain courses for the entire year. In the interest of avoiding educational roadblocks, Counselors start working with students in the spring semester of each school year. Students and parents are encouraged and given every opportunity to read the Academic Planning Guide, discuss courses with teachers, and make selections for the upcoming year with a Counselor. The Counseling Department has made every effort to match student needs with available classes. Therefore, the only guaranteed changes are to fix errors in schedules. If a student meets one of the following criteria below, they should request a schedule change by completing the “Schedule Change Request” form prior to the start of the school year:

- Missing courses required for graduation
- Blank/missing periods (this does not include "early/late" arrival for seniors)
- Two courses scheduled in the same period (not including freshman Health/Geography)
- Failure to meet prerequisite for course
- Duplicate courses

Additionally, students are allowed up until the first three weeks of the school year to change level from an Advanced/Honors/AP course down to a regular level class, based on space availability. Changes may significantly change the student’s current schedule.

TEACHER INITIATED WITHDRAWAL
- An exception occurs when the teacher has determined the course work is above/below the student’s academic ability at this time.
- Student, parent, teacher, and administration approval is required.
- The student must have demonstrated a valid effort to be successful which includes attendance, attitude, discipline, quality of work, and communication of concerns.

COMMUNITY SERVICE
A minimum of twenty-five (25) hours of community service with a “non-profit organization” is required for graduation. Community Service contracts and complete guidelines are available in the Counseling Department or on our school’s website. College bound students are advised to complete more than twenty-five (25) community service hours.

- The hours must reflect volunteer service to the community and must be turned in by the last day of school during the year the hours are served. Hours will not be accepted or documented if forms are submitted after the school year in which they are served.
- Students are expected to complete their community service hours prior to the end of their junior year.
Every senior will receive an unofficial transcript to assist them in filling out college applications. College and scholarship applications may require official transcripts. Official transcript requests for colleges/universities, NCAA and/or NAIA are submitted through Naviance. Official transcripts for scholarships or other needs may be ordered by completing a Request for Transcript form in the Registrar’s Office before school, during nutrition break, lunch, or after school. The cost is $1.00 per transcript.

**NOTE**: Please request transcripts at least one week before any deadlines.

**WITHDRAWAL FROM ROCKLIN HIGH SCHOOL**

Withdrawing from Rocklin High School is typically a one-day procedure. Parent/legal guardian verification and signature are required. **Students must see the Registrar to obtain a Check-Out Form.** The student, during their regular class schedule, must take the form to his/her teachers to receive withdrawal grades. The student must return the Check-Out Form, with the required signatures, to the Registrar to complete the process and receive necessary paperwork for future school enrollment. If the student is unavailable to complete this procedure, the Checkout Form will be routed by the office and will prolong the withdrawal process. **At this time, all books, uniforms, fines/fees, ASB/ID card, and parking permit must be turned in and cleared.** All accounts must be cleared before the student’s official transcript will be forwarded to the awaiting school.
The College & Career Center is a resource center focusing on a student's opportunities after high school. Parents are welcome to access all College & Career Center resources. Appointments are recommended. Students and parents can find information and help on the following points online at the school’s website http://rhs.rocklinusd.org/subsites/Career-Center/:

- College admission
- PSAT, ASVAB, ACT, SAT Reasoning registration and support
- Scholarships and financial aid
- Career exploration, education, and planning
- Military recruitment
- 49er Regional Occupational Program (ROP)
- Community Service opportunities
- Tutoring Services

COLLEGE NIGHT

The College & Career Center co-sponsors the Northern California College Night each fall. College representatives from a large variety of schools will be in attendance. This event is free of charge and open to all students and parents.

SCHOLARSHIPS AND FINANCIAL AID

The College & Career Center webpage and workshops are great resources to learn about the many scholarship and financial aid options available to students. The College & Career Center webpage links to national scholarship websites, lists current local and regional scholarships, and houses Rocklin High School's Assist-A-Grad catalogue and application.

FAFSA AND CAL GRANT

A general scholarship workshop will be hosted in the fall and a workshop specific to completing the FAFSA and Cal Grant application will be held in early January. All students are encouraged to file a Cal Grant GPA Verification Form in the fall of their senior year.

ASSIST-A-GRAD SCHOLARSHIPS

Rocklin High School Assist-A-Grad Scholarships are sponsored by organizations or individuals within our community and are open to Rocklin High School students only. The application window for these scholarships is typically within the month of March with interviews held in May. Scholarship winners are announced at Senior Awards Night.

TUTORING

Students who need academic help can attend after school “Homework Help” sessions that are held in the College & Career Center. Students who are strong in specific subjects, have been trained in tutoring, and are available on a regular basis to help students with homework, study for exams, or polish their skills are encouraged to volunteer. Applications are available in the College & Career Center.

WORK PERMITS

By Federal Law and State Ed. Code 49164, all students under age 18 must have a valid work permit to be employed which also includes vacations and summer break. In accordance with school policy, students are required to maintain a 2.0 grade point average, have no more than one NM/NC (based on their most recent report card), and attend school regularly to hold a work permit. Students may obtain a “Request for Work Permit” form in the College & Career Center or via the school’s website (select the Info tab, Counseling, Work Permit). Once the student, parent, and employer complete all requested information, the form is submitted to the College & Career Center. Work permits will be issued within four days after the completed request has been submitted and has received counselor approval. Work permits are issued for up to one year and expire every August (including those issued during summer break). Permits may be revoked at any time if attendance and graduation requirements are not being met.
The Rocklin Unified School District has adopted the Naviance computer program for students and parents to access interest inventories, career exploration, college matches, and the college application processes. The Naviance program is incorporated into the curriculum throughout the middle and high schools. We encourage students and parents to explore Naviance and its many uses. Naviance login information and instructions are available on the Counseling Department and College & Career Center websites.

* It is recommended to complete this application ASAP due to limited funds

The following testing dates are current as of June 2020. See websites below for fee information. Early registration increases chances of being assigned to Rocklin High School as a testing site.

HEALTH OFFICE
916-632-1600 #6137

Rocklin High School Health Office is staffed by a part-time Health Aide. Please refer to the Annual Parents’ Rights Notice for a complete description of pupil health, safety and medical treatment information. Prior to the beginning of school, please notify the school health office in writing of any chronic health issues, such as heart problems, diabetes, severe allergies, hearing loss, vision/glasses, chronic pain, asthma, seizure disorders, etc. This enables the school to communicate the necessary accommodations to appropriate staff to ensure that student health needs and safety are cared for. The Health Office provides temporary care to students who are sick or injured at school until the parent can be contacted to pick-up the student. Students cannot be diagnosed by the health office; your child’s physician will need to provide a proper diagnosis. Students will only be released to persons listed on the Emergency Card. 911 will be called if the situation could be life threatening.

MEDICATIONS

**Board Policy 5141.21**: The school Health Office also supervises students who are required to take medication during the school day. A written authorization from the student’s physician and parent/guardian is required before designated school staff can assist the student in taking any medication. This includes medications prescribed by the physician and over-the-counter medications such as Tylenol, Motrin, cough drops, and ointments. The medication forms are available in the school office. Any medications that will be stored in the Health Office must be signed in by a parent/guardian and staff member. The Health Aide/staff member will verify the medication against the physician's orders, noting the medication's expiration date, quantity, and form (liquid, pills, inhaler, nasal spray, eye drops, etc.) All medication must be in the original container and placed under lock and key in the Health Office in the Administration Building for the safety of all students. **Students are not allowed to carry any form of medication (prescription or over-the-counter) at any time while on campus** except those medications that a physician requests the pupil be allowed to carry (e.g., inhalant for asthma, auto-injector Epipen for severe allergies). Doctor’s orders are required to be kept on file at the school for students carrying authorized medication. When on a field trip, the medications shall be monitored by and in possession of a teacher at all times.

IMMUNIZATIONS

Under the California School Immunization Law (California Health and Safety Code, Sections 120325-120375), children are required to receive certain immunizations in order to attend public and private elementary and secondary schools, child care centers, family day care homes, nursery schools, day nurseries and developmental centers. The California School Immunization Law also requires schools, child care centers, and family child care homes to enforce immunization requirements, maintain immunization records of all children enrolled, and submit reports to the local health department. Starting in 2014, a new California law modified the process for obtaining exemptions to student immunizations based on personal beliefs. Documentation is now required showing that a healthcare practitioner has informed the parents/guardians about vaccines and diseases. Students have 10 days from the time of notification to provide documentation of missing immunization, otherwise may possibly be excluded from school. Source of immunization information: www.shotsforschool.org

PHYSICAL EDUCATION EXEMPTION

Students with a request for temporary or permanent exemption from physical education must have the appropriate paperwork filled out by both physician and parent. Forms are available in the Nurse's Office or on the PE website at [http://Rocklin High School.rocklinusd.org/subsites/PE/index.html](http://Rocklin High School.rocklinusd.org/subsites/PE/index.html). The physician's release is to be given to the PE Department who will process the information with the Health Office. The Health Office will collaborate with the physician, parent, and other necessary staff.

HIV/AIDS EDUCATION

It is the intent of ROCKLIN HIGH SCHOOL to provide HIV/AIDS education to all students in order to prevent
transmission. Students enrolled in Health/Family Life will receive instruction. This subject matter is mandated by the California Education Code, but provides an option for the parent/guardian to choose not to have their child receive this instruction. Copies of the California Education Code, Sections 51201.5 and 51553, are available in the school office for viewing.

NON-DISCRIMINATION NOTICE
The Rocklin Unified School District does not discriminate on the basis of color, race, religion, ancestry, national origin, age, sex, sexual orientation, gender, ethnic-group identification, mental or physical disability in its
educational programs, activities, or employment. All educational opportunities will be offered without regard to color, race, religion, ancestry, national origin, age, sex, sexual orientation, gender, ethnic-group identification, mental or physical disability. No person shall be denied employment solely because of any impairment which is unrelated to the ability to engage in activities involved in the position(s) or program for which application has been made. It is the responsibility of the applicant to notify the employer of any necessary modifications to the job or work site in order to determine whether the employer can reasonably accommodate any known disability.

**PARKING/DRIVING PRIVILEGES**

Only junior and senior students with a Rocklin High School issued parking permits are allowed to park in the student parking lot; freshmen and sophomore students are not allowed to park in the school parking lot.

- **POSSESSION OF A PARKING PERMIT DOES NOT GUARANTEE ON-CAMPUS PARKING.**
- All parking spots in either the General or Senior sections of the Student Parking Lot that are not designated as Senior Personalized Parking Spot or labeled as “Staff” are on a “first-come, first-serve” basis.
- The lack of available parking in the Student Parking Lot or surrounding streets cannot be used as an excuse for being absent or tardy to class.
- The Rocklin High School Student Parking lot is divided into two sections: General and Senior. “Senior” designated permits allow only twelfth grade students to park in the “Senior Parking” area within the student lot.
- Student vehicles are not allowed to park alongside any red curb, V-Parking Staff Lot, or in any spot designated for Staff Parking.

1. Students who violate expectations in the parking lot will receive discipline which may include removal of parking lot privileges. Additionally, any parking violation can result in the “Loss of Privileges” for future student parking lot opportunities.
2. Vehicles parked on campus without a current permit or otherwise parked illegally are subject to receiving a citation by the Rocklin Police Department.
3. Speed limit in the parking lot is 5 mph. Any driver found to be driving in a negligent, erratic, or disruptive manner on/about school property may be cited by the Rocklin Police Department and have school driving and parking privileges suspended.
4. A senior “painted spot” in the Senior Parking area is considered “reserved” and is off-limits. Parking in one of these spots, if it is not your designated spot, will result in at least a 30-day parking permit removal. A second offense of this nature may result in the permanent removal of your parking permit.
5. The City of Rocklin has approved Rocklin High School Students to utilize the Twin Oaks Park overflow parking lot. A student who chooses to park in any private parking lot in the surrounding neighborhoods of the school campus could be subject to being towed at the owner’s expense.
6. Vehicles must be parked forward into the parking spot. Students must leave the parking lot where loitering is not permitted.
7. During the day, the parking lot is off-limits and vehicles may not be visited (including break/lunch periods) without special permission from the Administration.
8. “Cruising” around the parking lot before or after school is not permitted. Loitering in the parking lot, whether in or around vehicles, is not allowed.
9. Loud stereos/car radios are considered disruptive and are therefore not allowed on school grounds.
10. Loading zones are in front of the gym, cafeteria, office, or along curbs bordering Rocklin High School. Parents delivering students to school should drive into the student parking lot and use these areas for drop off and pick up points. Do not leave vehicles parked unattended in this area. **The parking lot in front of the Administration Building is NOT a drop off zone.**

**OBTAINING A PARKING PERMIT**

Student Parking Permits Applications are available throughout the year in the Assistant Principal’s Office. A parking permit will only be processed when proper documentation is submitted.

- Students are required to:
- Show their current Rocklin High School Student ID card
- Complete a Parking Permit Application
- Submit a copy of their driver’s license and a current copy of the registration for the vehicle that will be parked on-campus. The interim driver’s license for any new driver that was issued by the Department of Motor Vehicles is accepted
- Payment receipt from the Student Store, if applicable (see below)

Cost of a parking permit is $10. At the time of applying for the parking permit, the student is required to pre-pay $10 at the Student Store and submit this receipt with the application. **If a student shows a current-year ASB card, he/she is entitled to one FREE parking permit.** With a standard (non-ASB) Student ID card, **Students must display a current, valid Rocklin High School parking permit in the lower left side of the windshield, directly in front of the driver.**

- In order to achieve Senior status, students are required to have completed the minimum of twenty-five (25) hours of Community Service before a Senior Parking Permit can be issued.

**SENIOR PERSONALIZED PARKING SPOTS**
In May of each year, Rocklin High School conducts an informational meeting for the parents and students of the upcoming Senior Class. At this meeting, students have the option to enter a lottery for personalized reserved parking. This is a fundraiser for our ASB Program. To qualify for the lottery, students need to be in good standing and have completed and submitted at least 25 hours of community service.

**LOST AND FOUND**
All personal articles found during the school year are turned into the Front Office. Items not claimed are donated to a charitable organization at the end of each month. Labeling of possessions is recommended. Students are responsible for claiming lost items.

**PERSONAL PROPERTY**
Students should not bring items of value to school without the expressed consent of the parent/guardian. The school is not responsible for damaged, lost, or stolen items. Students bear the sole responsibility for personal items brought to school and should lock their possessions in a locker during their PE period. **We strongly encourage students not to bring large sums of money to school.** Personal property having no bearing on studies will not be allowed at school. This includes radios, skateboards, video games, CD players, recorders, baseball cards, athletic equipment and personal electronic devices. These items may be confiscated and returned only to parents.

**STUDENT PASSES**
Students must have a hall pass if they are out of class for any reason. Student passes must note the time, date, destination, and include a teacher’s signature.

Policy ROCKLIN UNIFIED SCHOOL DISTRICT
Adopted: May 6, 2009 Rocklin, California
Revised: September 18, 2019
TECH/INTERNET INFORMATION

**Board Policy 6203:** Students are expected to use campus technology in the manner designed for classroom assignments and activities. This includes all hardware, software programs, and internet use. All campus hardware, including but not limited to televisions, DVD, ChromeBooks, overhead projectors, cameras, and recording equipment are covered under this policy. All Rocklin Unified School District network/online service users are required to sign the Authorized Network/Online Service Use Agreement Form and to abide by the terms and conditions of Board Policy 6203 and the corresponding regulations. The Board of Education does not authorize any use of the network/online service that is not conducted strictly in compliance with this policy. Your signature on this document indicates that you have read the terms and conditions carefully and understand their significance.

The Board of Education believes that online services (Internet) offer vast, diverse, and unique resources for students, teachers, and other users. The District’s goal in providing this service to staff and students is to promote educational excellence in schools by facilitating resource sharing, innovation, and communication.

The District may not be able to technologically limit access to services through the District’s online services connection to only those that have been authorized for the purpose of instruction, study, and gain access to services on the Internet which the District has not authorized for educational purposes. By participating in the use of the on-line services, students may gain access to information and communications which they or their parents/guardians may find inappropriate, offensive, or controversial. Parents/guardians assume this risk by consenting to allow their students to participate in the use of the on-line services. Users who disregard the District’s Authorized Network/Online Services Use Policy and regulations may have their use privileges suspended or revoked and may be subject to other disciplinary actions. Users granted access to the Internet through the Rocklin Unified School District assume personal responsibility and liability, both civil and criminally for uses of the Internet not authorized by District policy.

TEXTBOOKS/MATERIALS/FEES

All required textbooks/materials are issued by the school. Students are held accountable for the care and safe keeping of books assigned to them. Students will be billed for the replacement cost of lost or damaged books. Any student who pays for a lost textbook or other school material and later finds the item, may return to the school for a refund. The refund will be processed on or about September 30th the following school year as long as the item is in acceptable condition and is still being used by the school. State law allows the schools to enforce the payment for lost or damaged items. **These costs and any other outstanding fees must be paid before transcripts or diplomas are given. Outstanding fees may also result in suspension of eligibility to participate in extracurricular activities.**

student injury. Principals and staff are responsible for the conduct and safety of students from the time they come under school supervision until they leave school supervision, whether on school premises or not. The Superintendent or Designee shall establish regulations and procedures as necessary to protect students from dangerous situations. The Superintendent or Designee shall ensure that teachers, teacher aides, yard aides, and volunteers who supervise students receive training in safety practices and in supervisory techniques which will help them to forestall problems and resolve conflicts.   - Two (2) notched-out areas on the Visitor Side of the football field
- Prior to the ceremony, we place approximately ten (10) folding chairs in each section with a “Reserved Disabled Seating” sign. This is so a family member can sit with the disabled a person who is either in a wheelchair/walker. Once the gates open, we do not monitor these disabled seating areas. To ensure that a family member can join those seated in a wheelchair or walker, they may bring a portable chair into the stadium.
- Preferred Seating with VIP Tickets on the field: For a guest holding VIP Ticket that requires mobility assistance or wheelchair access, we have escorts at the VIP gate to assist with getting to field seats. In order to keep open aisle ways, we remove other chairs (if necessary) in order to maximize capacity while meeting special needs.
