ATTENDANCE
(24-Hour Absence Reporting) 916-632-1600 #6103
(School Attendance Office) 916-632-1600 #6105

EXPECTATIONS
Attendance at school is compulsory until the 18th birthday or graduation from high school. Students are expected to be in class on time daily in order to receive maximum benefits from the instructional program.

- A student is considered absent from class if they miss 30+ minutes of a class period.
- A student must be in attendance the full regular school day of a scheduled practice, contest, or extracurricular activity to be eligible to participate. There are possible exceptions which are subject to interpretations by the Principal or his Designee.
- Students absent from school for any length of time (one period, one day, or multiple days) must verify the absence by a phone call, a note or email from a parent/guardian within three (3) days.
- Attendance procedures must be followed even after the student’s 18th birthday.

SENIOR ATTENDANCE POLICY
Students must maintain a minimum 90% attendance during each semester of their senior year in order to participate in Senior Activities. This includes all absences, whether excused or unexcused, and off campus suspensions. Field trips, school activities, and any tardy will not affect this record. The Senior Class Administrator discusses the details of the Senior Attendance Policy during the Discipline Talks within the first few weeks of the fall semester.

CLEARING ABSENCES
1. Verification of absences is to be made by a phone call, a note or email from a parent/guardian indicating the date and reason for the absence. Telephone calls should be made the same day as the absence to 916-632-1600 #6103.
2. Failure to clear an absence by a telephone call, note or email within three (3) days will be marked as truant and result in disciplinary action.
3. Rocklin Unified School District authorizes certain absences to be classified as "excused" if they are for the following reasons:
   - Illness or injury
   - Having medical or dental services rendered
   - Quarantine under the direction of a County or City Health Officer
   - Funeral/memorial service and/or bereavement
   - Court Appearance
   - Religious holidays

DIALER/VOICE MAIL
1. Daily, the automated dialer will call the primary phone number of all students who have been reported absent at the beginning of the school day.
2. Nightly, the automated dialer will call the primary phone number of all students who have been reported absent from one or more class periods.
3. The school provides a 24-hour voicemail, 916-632-1600 #6103, for reporting all-day absences. Communication between home and school is a major factor in correcting poor attendance and calls to the school Attendance Office at #6105 are welcomed.
TARDY POLICY
1. Tardiness is unacceptable and is cleared only with a note or call from a parent/guardian within three (3) school days. Parents cannot excuse more than five (5) tardies per semester.
2. An unexcused tardy, at any time during the school day, will result in disciplinary action. A student's tardy will not be excused due to traffic or lack of parking in the Student Parking Lot or surrounding streets.
3. Students identified with habitual tardiness may be placed on Attendance Contracts which include additional consequences and/or referred to School Attendance Mediation Board.

CLOSED CAMPUS
1. Rocklin High School is a closed campus. Students are not allowed to bring guests to school.
2. Parents, pre-scheduled guest speakers, or military guests need to sign in at the Rocklin High School reception desk upon arrival to receive a Visitor’s Pass.
3. ALL DELIVERIES FOR STUDENTS MUST BE DROPPED OFF IN THE FRONT OFFICE. ONLY PARENTS ARE ALLOWED TO DELIVER FOOD ITEMS AND ONLY FOR THEIR OWN STUDENT(S).
4. WE DO NOT ALLOW OUTSIDE SERVICES TO DELIVER FOOD TO STUDENTS (e.g. Door Dash, Grubhub). All items delivered by this method will be confiscated even if the student has prepaid for the delivery of items.

CHECKING A STUDENT IN or OUT
1. Students MUST check in at the Attendance window upon arrival any time after 7:45 am or return to campus before 2:40 pm. Students must present student I.D. card.
2. Permission for a student to leave campus must be communicated by written note, phone call, or a personal appearance by the parent/guardian prior to the school’s Attendance Office Clerk authorizing the student to leave campus.
   - Parent’s Responsibility - A call or written note providing: student’s first and last name; date, time and reason student is leaving; parent signature and daytime phone number.
   - Student’s Responsibility - Students must present student I.D. card and bring note to the Attendance Office window before school, at break, or at lunch to receive a yellow check-out slip. Students need to show the yellow check-out slip to the teacher at the beginning of class and watch the clock to leave on time.
3. Students wishing to leave campus for lunch must be checked out in-person by a parent/guardian.
4. Failure to comply with the above policy will result in a discipline referral.
5. A student who attempts to clear an absence either through a forged note or an impersonated phone call will have the absence declared a truancy and will receive disciplinary action for both the attendance issue and the attempted forgery.

TRUANCY
A student, who is absent without a valid excuse, will be subject to disciplinary action (e.g. Saturday School, School Attendance Mediation Board referral).

PREARRANGED ABSENCES/INDEPENDENT STUDY
Students who foresee being absent for five (5) or more consecutive days may request an Independent Study Program to prevent loss of learning time. The request for Independent Study must be made at least two weeks prior to a student’s leave date and in writing. Requests should include student’s name, dates of absences, and reason. Independent Study will be issued pending review.
EMERGENCY SITUATIONS

Rocklin High School has plans and preparations for major emergency situations. The staff has been trained and drills are held regularly so the students understand the emergency procedures.

1. Our primary concern in the event of an emergency is the safety and welfare of the students. Please inform your student they are as safe at school as they are at home in a serious emergency. School buildings have been designed with safety in mind, inspections are made regularly to remove possible hazards, and staff members have been trained in first aid.

2. Your student(s) should be instructed to obey the directions of their teachers and staff members in any emergency situation.

3. If there is an emergency situation on campus, please avoid calling the school. Information will be sent out via School Messenger as it becomes available.

4. If there is an emergency situation on campus, please avoid driving to school. Streets should be as open as possible for emergency vehicles. Instructions will be sent out via School Messenger in order to reunite parents with students.
At Rocklin High School, we believe it is the basic right of each student to receive a quality education. School and classroom rules, which students are expected to learn and obey, are designed to enhance quality education, prevent disruption, and protect students.

Assistant Principals will visit students in their classes in the opening weeks of school to discuss district and school policies. Students are responsible for their behavior and the consequences of good or poor judgment. All of the rules and policies in this handbook apply to students on the way to and from school and school events, on school premises, and at all school sponsored functions.

**DRESS CODE**

(Board Policy 5132): The Board of Trustees believes that appropriate dress and grooming contribute to a productive learning environment. The following guidelines are intended to define appropriate student attire and personal grooming and shall apply to all regular school activities:

The student must have a yearly physical on file, as well as registration online providing evidence of the following:

1. Physical/Parent Release Form
2. Athletic Handbook Acknowledgement Form
3. Proof of Insurance/Risk Warning Form

Any athlete who falls below a 2.0 GPA at any grade reporting period (a grade reporting period is considered a quarter or semester), will become ineligible to participate in any interscholastic contest, but will still be allowed to practice. Once the athlete has met the minimum grade standard, full participation will be granted.

FIELD SPORTSMANSHIP—REQUIREMENTS FOR ALL SPORTS
The Sierra Foothill League (SFL) believes that the primary purpose for athletics is to promote good sportsmanship and declares its intent to do all within its power to guarantee that athletic contests are held in a sportsmanlike environment. Member schools are committed to enforcing a code of behavior that encourages good sportsmanship and provides consequences for poor sportsmanship conduct. Member schools agree to enforce the following:

- Any student fan who steps onto the court/playing field to start or join in a fight is to be automatically ejected from the gym/playing field. The member Sierra Foothill League School is expected to take disciplinary action on the next regular school day.
- Any player ejected from an athletic contest for participating in a fight will be subject to disciplinary action imposed by the member school. The consequence may include:
  1. Immediate removal from the contest (ejected)
  2. Removal from the next regularly scheduled contest
  3. Removal from the team
  4. Removal from all athletic programs for a period of time
  5. Other appropriate disciplinary action
- Players that leave the bench while a fight is in progress may cause the game to be forfeited. If players from both teams leave the bench while a fight is in progress, a double forfeit may be imposed.
POLICIES FOR ATHLETIC PARTICIPATION
For details, please see the Athletic Code of Conduct found online at:
https://sites.google.com/a/rocklin.k12.ca.us/rhs-sports-main/rhs-athletic-participation-packet

QUITTING A SPORT
If a student athlete fails to participate without justifiable cause or drops out of a sport after the team's first league contest, the athlete will not be allowed to participate in any other sport until the season of the dropped sport is completed.

SOCIAL MEDIA POLICY
“Social media” refers to internet-based applications designed to create and share user generated content. Any form of digital magazines, internet forums, web blogs, podcasts, photographs, video, rating, and social bookmarking found on websites or applications such as Twitter, Facebook, Instagram, or Tumblr that is open to public viewing is considered to be “social media”. This is a rapidly changing network as we move into the twenty-first century. Many more networks not mentioned will arise which are also included in this policy. Violations of this policy are subject to investigation and sanctions outlined in the Rocklin High School Code of Conduct are also subject to review by state and federal law enforcement. These fall under Class II Infractions. Any and all disciplinary measures may apply depending on the severity of the infraction.
Rocklin High School student athletes are expected to conduct themselves in a respectable manner as a member of their team and our Athletic Program. As a student athlete, you are responsible for your social media use. Any malicious use of social media platforms shall not be tolerated. Malicious use may include, but not be limited to:
1. Derogatory language or remarks regarding fellow athletes, students, coaches, administrators, faculty, and staff of Rocklin High School or other high schools.
2. Demeaning statements or threats that endanger the safety of another person.
3. Incriminating photos or statements regarding illegal criminal behavior, underage drinking, and use of illegal drugs, sexual harassment or violence.

ATHLETIC CODE OF CONDUCT

USING DRUGS, ALCOHOL OR TOBACCO
Athletes determined to be in violation of Education Code Section 48900 (i.e. possession or use of alcohol, controlled substances including steroids, or tobacco products) shall be disciplined.
1. First Offense: suspension from competition for 30 days or 15 days and the completion of a drug/alcohol assessment.
2. Second Offense: suspension from competition/participation for 60 days or 30 days plus completion of a drug and alcohol assessment.
Self-disclosure: Students who voluntarily disclose substance abuse and/or dependency to school personnel/parents, who involve themselves in an assessment and treatment program, will not be penalized under this policy. At any time, coaches reserve the right to cut student athletes from their programs for violations of team or school policies.

When the Rocklin High School Administration determines that an athlete’s conduct (either in or outside of school) is a detriment to the school, poses a danger to students, or is a threat to disrupting the educational process, they may suspend or remove the student from participation in any athletic program.
ACADEMIC GUIDELINES

MASTERY LEARNING AND GRADUATION OVERVIEW
The system of education at RHS is driven by performance–based standards as mandated by the State of California and the Rocklin Unified School District. Standards are not new to education; educators have always set goals and expected levels of achievement for students. At Rocklin High School, we go beyond expectations by requiring all students to master the learning associated with the common set of standards. In support of this philosophy, the curriculum, instruction, assessment, and reporting to parents is designed accordingly.

- Students will demonstrate mastery of the content standards through coursework and assessments aligned with National, California and district standards. The grade reporting system is used to communicate a student’s progress toward mastery. By requiring students to master academic standards, a graduate will have the skills and knowledge needed for success in whatever post-high school avenues are chosen.
- In addition to course requirements, RHS graduates are required to possess and demonstrate mastery of our Departmental Objectives, Essential Skills and Concepts. Graduation will be based upon demonstrations of what students actually know. At RHS, only after a student has demonstrated that learning has occurred will RHS confirm that education has happened. A minimum of 250 credits, including the required subjects below, must be earned in grades 9–12 in order to meet graduation requirements.

GRADING POLICY AND SYSTEM
Grades are maintained and readily available online at http://rhs.rocklinusd.org/ for students, parents, and teachers to monitor and discuss student achievement. Three options are available:

1. Students and parents can view grades through Schoology. If your family does not already have an existing account, please email Principal’s Secretary, Bridget Hopper @ bhopper@rocklinusd.org. On the homepage of the school’s website, select the “Schoology” tab and follow the instructions. New Schoology accounts must be activated via our school’s website (this can take 24-48 hours after a student’s first day).
2. Weekly Grade Check Forms for students to take to their teachers can be printed from the school’s website by selecting the ‘Info’ tab, ‘Counseling’ and ‘Weekly Grade Check Form’.
3. Parents are welcome to email or phone teachers to request grade-related information.
Semester grades carry final credit, are considered permanent grades, and become part of the official school record (transcript) for each student.

ACADEMIC INTEGRITY POLICY

The primary goal of any educational institution should be to enhance the learning environment and to promote the pursuit of intellectual excellence. The Rocklin Unified School Board of Education believes that the public school should reinforce the values of our democratic society, teach citizenship, and provide an environment conducive to ethical behavior. The Rocklin High School community believes that the school should maintain a climate in which honesty, courtesy, consideration, integrity, and a concern for others are highly valued. Cheating is an obstacle to achieving these goals. The Academic Integrity Policy will be enforced throughout a student’s high school career. Violation of Rocklin High School’s Academic Integrity Policy may result disciplinary action, academic, extra- and/or co-curricular consequences.

DEFINITION

Cheating is taking (or lending) at inappropriate times a person’s work, information, ideas, research and/or documentation without properly identifying the originator. The teacher’s professional judgment will determine whether cheating has occurred. Students are reminded not to give the teacher cause to consider their actions a violation. To avoid inadvertent dishonesty, the following list, which is not intended to be all-inclusive, delineates a variety of methods of cheating:

1. Looking at someone else’s paper or using any type of “cheat notes” during an examination, test or quiz.
2. Talking with another student during an examination, test or quiz.
3. Using an electronic device during an examination, test or quiz.
4. Letting someone else see one’s own or another’s paper during an examination, test, quiz or assignment.
5. Copying work assigned to be done independently or allowing someone else to copy one’s own or another’s work, including computer generated information and programs.
6. Copying or closely paraphrasing sentences, phrases, or passages without properly citing sources while writing a paper or doing research.
7. Giving test information to students in other periods of the same teacher/same course.
8. Submitting individual work/projects not wholly one’s work.
9. Fabricating or altering laboratory data.
CONSEQUENCES
This policy will be enforced throughout a student’s high school career. When a student has been found cheating, the consequences and procedures for each instance are as follows:

FIRST OFFENSE
- A referral will be submitted to the administration and evidence will be provided. The student(s) may be suspended from the teacher’s classroom for the next two class periods. (classroom teacher)
- The student(s) will be required to complete an alternative assignment demonstrating mastery of the Essential Concepts and Skills. A maximum of 70% of the total point value of the assignment will be granted. (classroom teacher)
- The teacher will notify the parents/guardians and inform them of the consequences prior to the classroom suspension. (classroom teacher)
- The administration will send home a letter documenting the incident and informing the student and parents of the consequences for second offense. (Administration)

SECOND OFFENSE
- A referral will be submitted to the administration along with evidence that cheating has occurred. The student(s) may be suspended On-Campus for two days. (classroom teacher)
- The student(s) will be required to complete an alternative assignment demonstrating mastery of the Essential Concepts and Skills; however, “0” points will be granted towards their overall course grade. (classroom teacher)
- The administration will notify the parents and schedule a meeting to inform them of the severity of the incident and the consequences for a third incident. (Administration)
- The student(s) will be suspended from any extra-curricular activity as per Rocklin High School extra-curricular code of conduct. (5 to 30 days) (Administration)
- The student(s) will not be eligible for valedictorian status or “Top Student” honors in his or her senior year. (Administration)
- If a student violates the Academic Integrity policy in an Advanced Placement or Honors course and it is a second offense, he/she will be dropped from the course and be placed in a regular college prep class. (Administration)

THIRD OFFENSE
- A referral will be submitted to the administration along with evidence that cheating has occurred. The student(s) will be suspended Off-Campus for three days. (classroom teacher)
- The student(s) will receive a “NC” in the course. (classroom teacher)
- A parent conference will be required. (administration)
- The student(s) will be suspended from any extra-curricular activity as per Rocklin High School extra-curricular code of conduct. (15 to 30 days) (Administration)
- The student(s) will not be eligible for valedictorian status or “Top Student” honors in his or her senior year. (Administration)

RESEARCH PAPERS/AVOIDING PLAGIARISM
In writing a research paper, the student must document everything that was borrowed, not only from direct quotations and paraphrases, but also from information and ideas that did not originate with the student. Common sense, as well as ethics, should determine what the student documents. Common knowledge or familiar proverbs need not be cited, but the student must indicate the source of any material that readers might otherwise mistake for originating from the student. This process is taught within every academic department. If further clarification is required, the student should ask his/her instructors.
COUNSELING DEPARTMENT
916-632-1600 #6110

The Counseling Department recognizes the dignity and worth of each individual and respects the differences that exist. Students are welcomed in the Counseling Department and appointments are made on a first-come, first-served basis. Students are asked to make appointments before or after school, during break, lunch, or passing periods. Trained Peer Counselors are also available for appointments.

CLASS POLICIES
All courses at Rocklin High School are year-long courses and students must remain courses for the entire year. In the interest of avoiding educational roadblocks, Counselors start working with students in the spring semester of each school year. Students and parents are encouraged and given every opportunity to read the Academic Planning Guide, discuss courses with teachers, and make selections for the upcoming year with a Counselor. The Counseling Department has made every effort to match student needs with available classes. Therefore, the only guaranteed changes are to fix errors in schedules. If a student meets one of the following criteria below, they should request a schedule change by completing the “Schedule Change Request” form prior to the start of the school year:
- Missing courses required for graduation
- Blank/missing periods (this does not include "early/late” arrival for seniors)
- Two courses scheduled in the same period (not including freshman Health/Geography)
- Failure to meet prerequisite for course
- Duplicate courses

Additionally, students are allowed up until the first three weeks of the school year to change level from an Advanced/Honors/AP course down to a regular level class, based on space availability. Changes may significantly change the student’s current schedule.

TEACHER INITIATED WITHDRAWAL
- An exception occurs when the teacher has determined the course work is above/below the student’s academic ability at this time.
- Student, parent, teacher, and administration approval is required.
- The student must have demonstrated a valid effort to be successful which includes attendance, attitude, discipline, quality of work, and communication of concerns.

COMMUNITY SERVICE
A minimum of twenty-five (25) hours of community service with a non-profit organization is required for graduation. Community Service contracts and complete guidelines are available in the Counseling Department or on our school’s website. College bound students are advised to complete more than twenty-five (25) community service hours.
- The hours must reflect volunteer service to the community and must be turned in by the last day of school during the year the hours are served. Hours will not be accepted or documented if forms are submitted after the school year in which they are served.
- Students are expected to complete their community service hours prior to the end of their junior year.
Every senior will receive an *unofficial* transcript to assist them in filling out college applications. College and scholarship applications may require *official* transcripts. Official transcript requests for colleges/universities, NCAA and/or NAIA are submitted through Naviance. Official transcripts for scholarships or other needs may be ordered by completing a Request for Transcript form in the Registrar’s Office before school, during nutrition break, lunch, or after school. The cost is $1.00 per transcript.

**NOTE:** Please request transcripts at least one week before any deadlines.

**WITHDRAWAL FROM ROCKLIN HIGH SCHOOL**

Withdrawing from Rocklin High School is typically a one-day procedure. Parent/legal guardian verification and signature are required. **Students must see the Registrar to obtain a Check-Out Form.** The student, during their regular class schedule, must take the form to his/her teachers to receive withdrawal grades. The student must return the Check-Out Form, with the required signatures, to the Registrar to complete the process and receive necessary paperwork for future school enrollment. If the student is unavailable to complete this procedure, the Checkout Form will be routed by the office and will prolong the withdrawal process. **At this time, all books, uniforms, fines-fees, ASB-ID card, and parking permit must be turned in and cleared.** All accounts must be cleared before the student’s official transcript will be forwarded to the awaiting school.
The College & Career Center co-sponsors the Northern California College Night each fall. College representatives from a large variety of schools will be in attendance. This event is free of charge and open to all students and parents.

SCHOLARSHIPS AND FINANCIAL AID
The College & Career Center webpage and workshops are great resources to learn about the many scholarship and financial aid options available to students. The College & Career Center webpage links to national scholarship websites, lists current local and regional scholarships, and houses Rocklin High School’s Assist-A-Grad catalogue and application.

FAFSA AND CAL GRANT
A general scholarship workshop will be hosted in the fall and a workshop specific to completing the FAFSA and Cal Grant application will be held in early January. All students are encouraged to file a Cal Grant GPA Verification Form in the fall of their senior year.

ASSIST-A-GRAD
Rocklin High School Assist-A-Grad scholarships are sponsored by organizations or individuals within our community and are open to Rocklin High School students only. The application window for these scholarships is typically within the month of March with interviews held in May. Scholarship winners are announced at Senior Awards Night.

TUTORING
Students who need academic help can attend after school “Homework Help” sessions that are held in the College & Career Center. Students who are strong in specific subjects, have been trained in tutoring, and are available on a regular basis to help students with homework, study for exams, or polish their skills are encouraged to volunteer. Applications are available in the College & Career Center.

WORK PERMITS
By Federal Law and State Ed. Code 49164, all students under age 18 must have a valid work permit to be employed which also includes vacations and summer break. In accordance with school policy, students are required to maintain a 2.0 grade point average, have no more than one NM/NC (based on their most recent report card), and attend school regularly to hold a work permit. Students may obtain a “Request for Work Permit” form in the College & Career Center or via the school’s website (select the Info tab, Counseling, Work Permit). Once the student, parent, and employer complete all requested information, the form is submitted to the College & Career Center. Work permits will be issued within four days after the completed request has been submitted and has received counselor approval. Work permits are issued for up to one year and expire every August (including those issued during summer break). Permits may be revoked at any time if attendance and graduation requirements are not being met.
The Rocklin Unified School District has adopted the Naviance computer program for students and parents to access interest inventories, career exploration, college matches, and the college application processes. The Naviance program is incorporated into the curriculum throughout the middle and high schools. We encourage students and parents to explore Naviance and its many uses. Naviance login information and instructions are available on the Counseling Department and College & Career Center websites.

DANCE GUEST PASSES

1. All dances are primarily for Rocklin High School students. However, if a student wishes to bring a guest from another high school, a Rocklin High School Guest Pass must be completed. Each student is allowed to bring only one guest to each dance. The Rocklin High School student is responsible for the behavior of the guest. Guests are expected to follow Rocklin High School's Code of Conduct, and they must be accompanied by their host student. All Guests must have a current, valid picture I.D. in order to be admitted to the dance. A photograph/electronic images or copies of an ID will not be accepted. Rocklin High School students must have all detention served before their guest pass will be approved. Any disciplinary problems caused by a guest will result in termination of all future guest privileges for the guest.

Rocklin High School Dances have Guest Pass criteria specific to the type of event. Please read each Guest Pass carefully.

GUEST PASS FOR CASUAL AND SEMI-FORMAL DANCES:

- Guest Pass requests are made available from the Assistant Principal's office two weeks prior to the date of the dance.
- Guest for these dances must attend another high school – no exceptions. Middle school students and individuals no longer in high school are not permitted to attend these Rocklin High School dances.
- It is the responsibility of the Rocklin High School student to get the original Guest Pass completed and returned to the Assistant Principal's Office by the deadline. The Guest Pass will not be accepted without the Administrator's signature and affixed business card/school sticker is present.
- Each Guest Pass is verified for accuracy. Any forged signatures will result in forfeit of dance/event attendance by both the Rocklin High School student and their guest. The Rocklin High School student may be issued a disciplinary action.
- All signed guest passes are due back to the Assistant Principal’s office by 3:00 pm on the Wednesday preceding the date of the dance.

GUEST PASS FOR FORMAL DANCES:

- Junior Prom and Senior Ball are held off campus and include dinner.
- Guest Pass procedures for these dances originate at the ASB Office.
- Students are required to watch an informative video via a link sent out by the ASB Office that discusses Guest Passes, specific tickets procedures, and important deadlines.
- The age limit for any guest attending a Formal Dance is twenty (20) years old.
- Guest Pass requests for students who are not currently attending high school will be considered on an individual basis by the school administration for Formal/Semi-Formal Dances only.
STUDENT CONDUCT AT ASSEMBLIES & RALLIES
1. Students are to sit in assigned grade-level areas.
2. Students are to remain in the assembly/rally until the program ends and are dismissed by the Administration.
3. Students should be prompt when moving to the rally/assembly area. A rally/assembly cannot start until students are seated in their proper sections and behaving appropriately.
4. Students should be appreciative and attentive during the performance. Those without appropriate behavior will be removed and the privilege to attend future assemblies/rallies may be revoked.
5. For more formal presentations such as concerts and drama productions, the only appropriate response is applause. Whistling, shouting and other demonstrations, while good for assemblies/rallies, are inappropriate for these events.

STUDENT STORE: THE “STORM CELLAR”
The Storm Cellar is opened during break, PLUS period, and lunch. At the store window, students can purchase and pay for items such as presale dance tickets, most VAPA event tickets, various contributions, and fees.
Rocklin High School Health Office is staffed by a part-time Health Aide. Please refer to the Annual Parents’ Rights Notice for a complete description of pupil health, safety and medical treatment information. Prior to the beginning of school, please notify the school health office in writing of any chronic health issues, such as heart problems, diabetes, severe allergies, hearing loss, vision/glasses, chronic pain, asthma, seizure disorders, etc. This enables the school to communicate the necessary accommodations to appropriate staff to ensure that student health needs and safety are cared for. The Health Office provides temporary care to students who are sick or injured at school until the parent can be contacted to pick-up the student. Students cannot be diagnosed by the health office; your child’s physician will need to provide a proper diagnosis. Students will only be released to persons listed on the Emergency Card. 911 will be called if the situation could be life threatening.

**MEDICATIONS**

**Board Policy 5141.21**: The school Health Office also supervises students who are required to take medication during the school day. A written authorization from the student’s physician and parent/guardian is required before designated school staff can assist the student in taking any medication. This includes medications prescribed by the physician and over-the-counter medications such as Tylenol, Motrin, cough drops, and ointments. The medication forms are available in the school office. Any medications that will be stored in the Health Office must be signed in by a parent/guardian and staff member. The Health Aide/staff member will verify the medication against the physician’s orders, noting the medication’s expiration date, quantity, and form (liquid, pills, inhaler, nasal spray, eye drops, etc.) All medication must be in the original container and placed under lock and key in the Health Office in the Administration Building for the safety of all students. **Students are not allowed to carry any form of medication (prescription or over-the-counter) at any time while on campus** except those medications that a physician requests the pupil be allowed to carry (e.g., inhalant for asthma, auto-injector EpiPen for severe allergies). Doctor’s orders are required to be kept on file at the school for student carrying authorized medication. When on a field trip, the medications shall be monitored by and in possession of a teacher at all times.

**IMMUNIZATIONS**

Under the California School Immunization Law (California Health and Safety Code, Sections 120325-120375), children are required to receive certain immunizations in order to attend public and private elementary and secondary schools, child care centers, family day care homes, nursery schools, day nurseries and developmental centers. The California School Immunization Law also requires schools, child care centers, and family child care homes to enforce immunization requirements, maintain immunization records of all children enrolled, and submit reports to the local health department. Starting in 2014, a new California law modified the process for obtaining exemptions to student immunizations based on personal beliefs. Documentation is now required showing that a healthcare practitioner has informed the parents/guardians about vaccines and diseases. Students have 10 days from the time of notification to provide documentation of missing immunization, otherwise may possibly be excluded from school. Source of immunization information: [www.shotsforschool.org](http://www.shotsforschool.org)

**PHYSICAL EDUCATION EXEMPTION**

Students with a request for temporary or permanent exemption from physical education must have the appropriate paperwork filled out by both physician and parent. Forms are available in the Nurse’s Office or on the PE website at [http://Rocklin High School.rocklinusd.org/subsites/PE/index.html](http://Rocklin High School.rocklinusd.org/subsites/PE/index.html). The physician’s release is to be given to the PE Department who will process the information with the Health Office. The Health Office will collaborate with the physician, parent, and other necessary staff.
**HIV/AIDS EDUCATION**

It is the intent of ROCKLIN HIGH SCHOOL to provide HIV/AIDS education to all students in order to prevent transmission. Students enrolled in Health/Family Life will receive instruction. This subject matter is mandated by the California Education Code, but provides an option for the parent/guardian to choose not to have their child receive this instruction. Copies of the California Education Code, Sections 51201.5 and 51553, are available in the school office for viewing.

**HEALTH SERVICES WEBPAGE**

NON-DISCRIMINATION NOTICE
The Rocklin Unified School District does not discriminate on the basis of color, race, religion, ancestry, national origin, age, sex, sexual orientation, gender, ethnic-group identification, mental or physical disability in its educational programs, activities, or employment. All educational opportunities will be offered without regard to color, race, religion, ancestry, national origin, age, sex, sexual orientation, gender, ethnic-group identification, mental or physical disability. No person shall be denied employment solely because of any impairment which is unrelated to the ability to engage in activities involved in the position(s) or program for which application has been made. It is the responsibility of the applicant to notify the employer of any necessary modifications to the job or work site in order to determine whether the employer can reasonably accommodate any known disability.

PARKING/DRIVING PRIVILEGES
Only junior and senior students with a current-year Rocklin High School issued parking permit are allowed to park in the student parking lot. Sophomore/freshmen students are not allowed to park in the school parking lot.

- **POSSSESSION OF A PARKING PERMIT DOES NOT GUARANTEE ON-CAMPUS PARKING.**
- **All parking spots are on a “first-come, first-serve” basis with the exception of Senior Personalized Parking Spots** (described below).
- **The lack of available parking in the Student Parking Lot or surrounding streets cannot be used as an excuse for being absent or tardy to class.**
- **The Rocklin High School Student Parking lot is divided into two sections: General and Senior. “Senior” designated permits allow only twelfth grade students to park in the “Senior Parking” area within the student lot. General parking is for both senior and eleventh grade students.**

OBTAINING A PARKING PERMIT
Student Parking Permits Applications for junior and senior students are available throughout the year and processed in the Assistant Principal’s Office.

- Obtaining a student parking permit is a two-step process that is described below:
  - **Step #1**: In the month of August, junior and senior students will be sent a link to the “2021-22 Rocklin High School Parking Permit” Google form. The student’s RUSD email **must be used** to complete the Google form (personal student/parent email addresses will not be accepted).
  - **STEP #2**: Hand-in a copy of the driver’s license and current copy of the registration for the vehicle that will be parked on-campus. An interim driver’s license issued by the DMV is accepted.
- **When a student comes to pick-up his/her parking permit, a current Rocklin High School Student ID must be shown at that time.**
- **There a cost associated with obtaining a parking permit.**
  - **FREE**: If student shows a current-year ASB card (entitled to one FREE parking permit)
  - **$10 FEE**: With a standard (non-ASB) Student ID card, the student is required to pre-pay $10 at the Student Store and submit this receipt to the Assistant Principal’s Office.
- **In order to achieve Senior status, students are required to have completed the minimum of twenty-five (25) hours of Community Service before a Senior Parking Permit can be issued.**
- **Students must display a current, valid Rocklin High School parking permit in the lower left side of the windshield, directly in front of the driver.**
SENIOR PERSONALIZED PARKING SPOTS

In May of each year, Rocklin High School conducts an informational meeting for the parents and students of the upcoming Senior Class. At this meeting, students have the option to enter a lottery for personalized reserved parking. This is a fundraiser for our ASB Program. To qualify for the lottery, students need to be in good standing and have completed and submitted at least 25 hours of community service.

PARKING/DRIVING RULES

- Student vehicles are not allowed to park alongside a red curb, V-Parking Lot, or in any spot designated for Staff Parking.
- Vehicles must be parked forward into the parking spot. Students must leave the parking lot where loitering is not permitted.
- The City of Rocklin has approved Rocklin High School Students to utilize the Twin Oaks Park overflow parking lot. A student who chooses to park in any private parking lot in the surrounding neighborhoods of the school campus could be subject to being towed at the owner’s expense.
- Loud stereos/car radios are considered disruptive and are therefore not allowed on school grounds.
- During the day, the parking lot is off limits and vehicles may not be visited (including lunch periods) without special permission from the Administration.
- “Cruising” around the parking lot before or after school is not permitted. Loitering in the parking lot, whether in or around vehicles, is not allowed.
- Loading zones are in front of the gym, cafeteria, office, or along curbs bordering Rocklin High School. Parents delivering students to school should drive into the student parking lot and use these areas for drop off and pick up points. Do not leave vehicles parked unattended in this area. The parking lot in front of the Administration Building is NOT a drop off zone.

PARKING/DRIVING DISCIPLINE CONSEQUENCES

Students who violate expectations in the parking lot will receive discipline which may include removal of parking lot privileges. A discipline consequence could result in: the “Loss of Privileges” for future student parking lot opportunities, the confiscation of an issued permit, assignment of detention, or a combination of discipline.

- Vehicles parked on campus without a current permit or otherwise parked illegally are subject to receiving a citation by the Rocklin Police Department.
- Speed limit in parking lot is 5 mph. Any driver found to be driving in a negligent, erratic, or disruptive manner on/about school property may be cited by the Rocklin Police Department and have school driving and parking privileges suspended.
- A senior "painted spot" in the Senior Parking area is considered "reserved" and is off-limits. A student who chooses to park in a "painted spot" that does not belong to them or without consent from the student who has paid for that spot, could be given a discipline consequence.
- A junior student who possess a current year junior parking permit is NOT allowed to park in any section of the senior student lot for any reason.

LOST AND FOUND

All personal articles found during the school year are turned into the Front Office. Items not claimed are donated to a charitable organization at the end of each month. Labeling of possessions is recommended. Students are responsible for claiming lost items.

PERSONAL PROPERTY

Students should not bring items of value to school without the expressed consent of the parent/guardian. The school is not responsible for damaged, lost, or stolen items. Students bear the sole responsibility for personal items brought to school and should lock their possessions in a locker during their PE period. We strongly encourage students not to bring large sums of money to school. Personal property having no bearing on studies will not be allowed at school. This includes: personal electronic devices, skateboards, video games, and athletic equipment. These items may be confiscated and returned only to parents.
STUDENT PASSES
Students must have a hall pass if they are out of class for any reason. Student passes must note the time, date, destination, and include a teacher’s signature.

adopted: May 6, 2009 Rocklin, California
revised: September 18, 2019

TECH / INTERNET INFORMATION
Board Policy 6203: Students are expected to use campus technology in the manner designed for classroom assignments and activities. This includes all hardware, software programs, and internet use. All campus hardware, including but not limited to televisions, DVD, Chrome Books, overhead projectors, cameras, and recording equipment are covered under this policy. All Rocklin Unified School District network/online service users are required to sign the Authorized Network/Online Service Use Agreement Form and to abide by the terms and conditions of Board Policy 6203 and the corresponding regulations. The Board of Education does not authorize any use of the network/online service that is not conducted strictly in compliance with this policy. Your signature on this document indicates that you have read the terms and conditions carefully and understand their significance.

The Board of Education believes that online services (Internet) offer vast, diverse, and unique resources for students, teachers, and other users. The District’s goal in providing this service to staff and students is to promote educational excellence in schools by facilitating resource sharing, innovation, and communication.

The District may not be able to technologically limit access to services through the District’s online services connection to only those that have been authorized for the purpose of instruction, study, and gain access to services on the Internet which the District has not authorized for educational purposes. By participating in the use of the on-line services, students may gain access to information and communications which they or their parents/guardians may find inappropriate, offensive, or controversial. Parents/guardians assume this risk by consenting to allow their students to participate in the use of the on-line services. Users who disregard the District’s Authorized Network/Online Services Use Policy and regulations may have their use privileges suspended or revoked and may be subject to other disciplinary actions. Users granted access to the Internet through the Rocklin Unified School District assume personal responsibility and liability, both civil and criminally for uses of the Internet not authorized by District policy.
TEXTBOOKS / MATERIALS / FEES
All required textbooks/materials are issued by the school. Students are held accountable for the care and safe keeping of books assigned to them. Students will be billed for the replacement cost of lost or damaged books. Any student who pays for a lost textbook or other school material and later finds the item, may return to the school for a refund. The refund will be processed on or about September 30th the following school year as long as the item is in acceptable condition and is still being used by the school. State law allows the schools to enforce the payment for lost or damaged items. These costs and any other outstanding fees must be paid before transcripts or diplomas are given. Outstanding fees may also result in suspension of eligibility to participate in extracurricular activities.

TRANSPORTATION
The Rocklin Unified School District provides home-to-school bus service for eligible students on a fee basis. Round-trip and one-way bus passes can be purchased through the RUSD Transportation Services Department. Transportation information applications are available via the district website at http://www.rocklinusd.org/Departments/Transportation/Bus-Passes/index or in the Rocklin High School main office. Additionally, punch passes are available for purchase in the Rocklin High School Student Store for students who occasionally ride the bus and may be used on a space available basis. Students are required to show their pass daily when boarding the bus.

VISITORS / STUDENT SAFETY
Board Policy 5142; 1250: The Board of Trustees places a high priority on safety and on the prevention of student injury. Principals and staff are responsible for the conduct and safety of students from the time they come under school supervision until they leave school supervision, whether on school premises or not. The Superintendent or Designee shall establish regulations and procedures as necessary to protect students from dangerous situations. The Superintendent or Designee shall ensure that teachers, teacher aides, yard aides, and volunteers who supervise students receive training in safety practices and in supervisory techniques which will help them to forestall problems and resolve conflicts. The following visitor regulations shall be in place at each school site:

- All qualified visitors, including parents (proof of identity must be shown) must sign in at the office and acquire identifying badges before visiting anywhere on campus.
- Picture identification badges will be used by District Employees who visit campuses.
- A list of substitute teachers will be posted daily.
- An adult employee shall accompany visitors who are not parents.
- Students are not allowed to bring visitors to school.

A copy of the Board Policy and Admin. Reg. 5142 and 1250 are available in the school office.
